Health declaration and general conditions

The undersigned declares that this horse:

Name mare: Chip:

Accompanied with foal M / V: date of birth: / / Excluded slaughter: YES excluded for consumption / NO

Has to be inseminated with semen of stallion:

Health declaration:

The horse has shown no signs of any infectious disease in the last 10 days. The horse has remained at least 30 days, 60 days respectively at establishments where no horse has shown clinical symptoms of EVA (viral arthritis), respectively CEM (contagious equine metritis). No natural coverage has been applied for at least 30 days. The undersigned also agrees that during this breeding season the horse will no longer be offered if these conditions are no longer met.

The horse has been living in Belgium since date of entry, if any: / /

Invoicing:

The undersigned undertakes to settle all invoices and costs issued by NV KEROS and/or BVBA Veterinary practice Vandaele in relation to the horse described above immediately and at the first request of NV KEROS and/or DAP Vandaele BVBA. The undersigned accepts that in the event of non-payment of the invoice on the due date, an annual interest of 10% without any repayment of the respective balance. The undersigned furthermore agrees that, in event of partial or complete failure to settle the debt within the term without any material reasons, the respective level of debt shall be raised by 15% in consequence of unsuccessfully issued invoices. In suchlike case, a minimum amount of €50 shall be charged. This provision shall also apply if deadline extensions have been granted. Belgian law is applicable. Only the Belgian courts are competent. Only the courts of the judicial district of Ypres (Ieper) shall have jurisdiction.

If the costs for insemination and/or extra stay of the horse are not paid or are not paid in full, KEROS will become the owner of the horse as soon as the total arrears amount to 3 months. If the horse is not the property of the client, the owner must explicitly sign below to agree to this contractual transfer of ownership. The transfer of ownership serves to compensate for the costs and the arrears. The transfer of ownership of the horse shall be proportional to the disadvantage suffered by KEROS as a result of the customer's non-payment and shall serve to save - in the interest of all parties - the costs and time associated with the legal collection of the arrears.

Liability:

NV KEROS/ veterinary practice Vandaele BVBA and their respective employees are not liable for damage, illness or injuries to individuals, animals and means of transport caused by infectious or non-infectious diseases as a result of their admission. Mares are inseminated at the sole risk and expense of their owner. In the event of damage as a result of an error in the execution of the assignment entrusted to them, the liability of NV KEROS/ veterinary practice Vandaele BVBA and their respective employees shall always and without exception be limited to a maximum of sixty thousand (€60 000) euros per horse. By signing this declaration, NV KEROS/ veterinary practice Vandaele BVBA and their respective employees are expressly waived all recourse for all damages exceeding the aforementioned maximum amount of sixty thousand (€60 000) euros.
